

# TRY SAILING

Open Day Saturday 2<sup>nd</sup> May 2026

**Cam Sailing Club**, just outside Waterbeach, are holding a “Discover Sailing” Open Day on Saturday 2<sup>nd</sup> May from 1300 to 1700. All are welcome to come along and see if sailing on the Cam is for you. There will be opportunities to see our facilities, talk to members about what the Club has to offer and go for a sail in a dinghy, half decker or river cruiser (larger sailing boats with cabins).

The event is free and there is no need to book, we will provide buoyancy aids – just wear suitable shoes; trainers are ideal. Tea, coffee, cake, snacks as well as soft drinks will be available throughout the afternoon.

Getting to the Club: **BY RAIL** – the Club is a 5 minute walk from Waterbeach rail station, **BY BUS** – the no. 100 bus from Drummond Street stop D3 in the City Centre stops just near Waterbeach station, **By Road** – we are on the bend on the road between Waterbeach and Horningsea just after the level crossing, **BY BIKE** – a great cycle along the tow path on the western side of the River Cam. For more details about the day scan the QR code below or email [sailingsec@camsailingclub.org.uk](mailto:sailingsec@camsailingclub.org.uk).
